CASH OUT GIVES YOUR TEAM EARLY ACCESS TO EARNED PAY.

Cash Out gives employees the option to get paid before payday. It's a free perk they'll actually use, and teams are seeing the benefits. All with no added cost or risk to your business.

Free & easy to offer
There’s no cost to you or your team, setup takes just minutes, and employees enroll themselves.

Reduce turnover
Employees are more likely to stay put when they feel supported. Cash Out helps provide that peace of mind.

Keep payroll the same
Cash Out works alongside your existing payroll process. No added steps, admin, or risk to your business.
